The VirtuOx Total Solution

Low cost software + low cost oximeters =
The industry's most cost effective way to qualify oxygen patients!

EZ·OX
Disposable Pulse Oximeter

- Eliminate costly oximeter courier visits

- Qualify and deliver oxygen faster

- Repeat oximetry testing at no cost

- Reduce oxygen discharges

EZ·OX Product Features:

- Single patient, multi-use disposable oximeter

- Shipped directly to patient's home

- 100 hours of storage for repeat testing

- Uploads to both VirtuOx IDTF for qualifiers and Office Plus for non-qualifiers

- Bluetooth connectivity to VirtuOx cloud servers

Once an order is received, VirtuOx mails a NightOwl EzOx device to the patient's home. The patient will wear the device as directed by the ordering physician. The results will transmit to the cloud and VirtuOx will fax the results to the patient's physician. When medical necessity arises, the referring physician can order to and patient can retest following the same instructions.
